PHONES:

Headquarters, Cowbridge Road, CARDIFF - - 597

Town Shop, High Street Arcade, CARDIFF 1597

St. Lythan's Nursery—Phone not yet installed.

NOTICE.

We beg to announce that we are now established at our new nursery at St. Lythan's Wenvoe, and that we have completely evacuated our old nurseries at Llandaff North and Whitchurch.

This new nursery is on the road running between Culverhouse Cross and Duffryn Village, and is alongside St. Lythan's Church, just $1\frac{1}{2}$ miles beyond the bus terminus at Culverhouse.

Clients who are interested in Fruit Trees, Roses, Ornamental Trees and Shrubs are invited to inspect our stocks on any week day. We are closed from midday Saturday to Monday. Ample parking space is available for cars.

Orders may also be placed as usual at our office—Cowbridge Road, next to City Lodge Hospital, our town shop—High Street Arcade, or at our stall in Cardiff market.

CONDITIONS.

We believe that all varieties of trees, shrubs and seed as listed in this catalogue to be true to name and description, but owing to the practical impossibility in many cases of being certain of this, we give no undertaking that such trees, shrubs and seed will correspond with the description under which they are sold, and we make all sales subject to this condition. We further give no warranty, express or implied, as to their growth, description quality or productiveness, and will not be in any way responsible for the crop.

Owing to the continued shortage of packing material, especially boxes, we are obliged to charge these at cost price, but will pay carriage on orders over £5.

Cash or Banker's references is required from unknown correspondents.
